

Free Baggage Allowance (FBA) rules differ based on route or destination. Thus, together with our airline partners, we strive for consistent application of baggage rules and regulations.

FBA rules may vary for trips involving one or more airline partners. In some cases, the FBA rules of partner airlines will apply. For information on the FBA rules of our airline partners, passengers may visit their respective website/s. Passengers may contact their travel agent or PAL Reservations Hotline for further assistance.

Passengers travelling solely on PAL flights are bound by PAL's baggage rules. For baggage rules information, passengers may visit PAL website at www.philippineairlines.com or call our Toll Free Number 1-800- I-FLY-PAL or 1-800-4-359-725 (for US and Canada) or (632) 8855-8888 (Manila, Philippines). For comments and/or complaints, passengers may email wecare@pal.com.ph.
