Service Dog Health Information	
☐ I attest that the Service Dog: • Does not have fleas or ticks or a disease that would endanger people or other animals. • Is vaccinated for rabies. Date vaccination expires: _____	
Veterinarian's Name (signature **not** required):	**Contact No.:**
Service Dog Task Training	
☐ I attest that the Service Dog has been individually trained to perform a task to assist with a disability.	
Name of Task Trainer or Training Organization:	**Contact No.:**
Email Address:	**Website:**
Service Dog Behavior Training	
☐ I attest that the animal has been trained to behave in a public setting.	
Name of Behavior Trainer or Training Organization:	**Contact No.:**
☐ I understand that: • The Service Dog must be under the control of the Handler at all times. • A properly trained service animal does not act aggressively by biting, barking, jumping, lunging, or injuring people or animals, and does not urinate or defecate on the aircraft or in the gate area. • If the Service Dog shows that it has not been properly trained to behave in public, then the airline may treat the animal as a pet by charging a pet fee and requiring that the Service Dog be transported in a pet carrier, or denying transport.	
☐ I attest that, to the best of my knowledge, the Service Dog has not behaved aggressively or caused serious injury to another person or animal.	
If you are unable to make this attestation, please explain why:	
Other Assurances:	
☐ I understand/attest that: • The Service Dog must be harnessed, leashed, or tethered at all times in the airport and on the aircraft. • If the Service Dog causes damage, Philippine Airlines may charge the Handler for the cost to repair it, as long as Philippine Airlines would also charge passengers without disabilities to repair similar kinds of damage. • My answers are true to the best of my knowledge. I understand that per the General Conditions of Carriage governing my ticket, I and/or my Service Dog may be denied boarding should I knowingly make false statements.
