

## Annex C: Accepted Proofs of Vaccination Status

### Vaccinated in Singapore

If the traveller was vaccinated in Singapore, he/she must present:

- (A) a vaccination status on the TraceTogether app or HealthHub app; or
- (B) vaccination certificate(s) issued by the Singapore Ministry of Health in English.

For (A), please see sample screenshots below:

Vaccination Status on TraceTogether App	Vaccination Status on HelathHub App
 <p>The screenshot shows the TraceTogether app interface. At the top, it displays '1-5 devices nearby' and '4 min ago'. Below this is a banner with an illustration of people. The main section is titled 'Your COVID Health Status' and shows two buttons: 'Vaccinated' (with a green checkmark and syringe icon) and 'No test status' (with a grey document icon). Below this is a 'SafeEntry check in' section with three options: 'Scan QR', 'Favourites', and 'Group'. At the bottom, there is a 'Pause TraceTogether' link and a navigation bar with 'Home', 'History', 'Upload', and 'More' icons.</p>	 <p>The screenshot shows the HealthHub app interface. The title is 'Vaccination Records'. It features an illustration of a family celebrating. Below the illustration, it shows a 'Vaccinated' status with a green checkmark and the text 'Effective starting 16 MAR 2021'. The records are for 'COVID-19 PFIZER-BIONTECH/ COMIRNATY (COV)'. The first record is dated '02 MAR 2021' at 'KINDER CLINIC PTE LTD (PANDAN VALLEY)' with 'Dose: D2'. The second record is dated '09 FEB 2021' at 'KINDER CLINIC PTE LTD (PANDAN VALLEY)' with 'Dose: D1'. There is a 'View more' link and a 'Download PDF' button at the bottom.</p>

### Vaccinated Overseas

If the traveller was vaccinated overseas, the electronic or physical vaccination certificate(s) should be in English and clearly state the following:

- the traveller's name, and at least one other personal identifier such as the date of birth or passport number corresponding exactly with the information in the traveller's passport used for entry into Singapore;
- the name of vaccine administered (if more than 1 dose, the name of each vaccine administered for each dose); and
- the date(s) of vaccination (if more than 1 dose, the dates when each dose was administered). The date of the last dose should be administered at least 14 days before the traveller's arrival in Singapore.

Please refer to <https://safetravel.ica.gov.sg/health/vtsg> for the list of vaccines accepted by Singapore, and the required doses to be considered fully vaccinated.
