

PR'S BAGGAGE CONDITIONS EFFECTIVE DECEMBER 2017

We understand that there are different rules on Free Baggage Allowance (FBA) that may apply to your journey and they have become increasingly complex in recent years. Together with our airline partners, we are making an effort to apply baggage rules consistently so that you know what to expect when travelling. For information on the FBA of our airline partners, please visit their respective website.

If your journey involves multiple airline partners, please be aware that FBA rules may vary. In some cases, the baggage rules that apply for your journey may be those of our partner airlines. Please contact your travel agent or our service center for further advice.

If you are travelling solely on Philippine Airlines (PR) for the duration of your journey, please familiarize yourself with our baggage rules. For more information visit our website at www.philippineairlines.com or you may call 1-800-1-FLY-PAL or 1-800-4-359-725 (for US and Canada) and (632) 855-8888 (Manila, Philippines).
